

## Rules of the promotion "Bonuses for every win"

### 1. Term and venue

The promotion "Bonuses for every win" (hereinafter referred to as the Promotion) is held from 05.05.24, 00:00:00 (UTC+3) to 30.09.23, 23:59:59 (UTC+3) on the website betcity.net (hereinafter referred to as the Site ) and in the mobile application "BETCITY.NET" (hereinafter referred to as the Application).

### 2. The terms of participation

The promotion is valid for new customers of the betting company "BETCITY", i.e. who did not make a single bet before the start of the Promotion (hereinafter referred to as the Participants).

### 3. Mechanics

3.1. During the Promotion period, a Participant makes his first bet of any type (single, accumulator, system, prematch, live) on any sport with a settlement date during the promotion period.

3.2. Within 30 days from the date of the first bet, but not later than the end of the Promotion, for each winning bet, including the first one, a Participant is credited with a bonus to the bonus account in the amount of 5% of the net winning. The net winning is the difference between the payout of the winning bet and the amount of the bet itself. If a bet loses, a bonus will not be credited to a Participant. When calculating a bonus, it is mathematically rounded up to 0.01.

*Calculation example No. 1:*

*The amount of the bet is \$100 with odds 1.50*

*Bet is won*

*Payout is \$150*

*Net winnings = payout amount - bet amount, i.e. \$150 - \$100 = \$50*

*Accrued bonus = \$50 \* 5% = \$2.50*

*Calculation example No. 2:*

*The amount of the bet is \$10,000 with odds 10.0*

*Bet is won*

*Payout amount is \$100 000*

*Net winnings = \$100 000 - \$10 000 = \$90 000*

*Estimated bonus = \$90 000 \* 5% = \$4 500 (limit \$1 000)*

*Accrued bonus = \$1000*

*Calculation example No. 3:*

*The amount of the bet is \$10 with odds 1.45*

*Bet is won*

*Payout amount is \$14.5*

*Net winnings = payout amount - bet amount, i.e. \$14.5 - \$10 = \$4.5*

*Estimated bonus = \$4.5 \* 5% = \$0.225*

*Accrued bonus = \$0.23 (rounded up to 0.01)*

*Calculation example No. 4:*

*The amount of the bet is \$100 with odds 1.50*

*Bet is lost*

*Bonus is not credited*

3.3. The Promotion does not include:

- cash out bets;
- bets made for bonuses.

3.4. The bonus is credited to the Participant's bonus account no later than 24 hours after the bet is calculated.

3.5. Bonuses are summed up on the bonus account. Bets for bonuses can be made on the Site or in the Application on any event with odds no higher than 3.00. Bets from a bonus account can be made both partially and for the entire amount available on a bonus account, in the absence of other restrictions on the amount of bet on specific sporting events.

3.6. The validity of bonuses is 7 days from the date of accrual. First of all, funds are spent from the bonus account with a minimum validity period.

3.7. The maximum amount of all bonuses under the Promotion for one Participant, depending on the account currency: ₹ 500,000 / ₱ 100,000 / \$1,000 / €1,000 / ₹100,000 / ₹50,000 / £20,000.

#### 4. Additional Provisions

4.1. In case of revealing the fact of fraud, abuse of the bonus offer, the organizer has the right to terminate a Participant's participation in the Promotion. In these cases, the balance on the bonus account is cancelled.

4.2. One bonus account is available for one user (per family, one address, one shared computer, shared IP address, for any identical account data, such as e-mail address, bank account, credit card information, payment system account, etc.). Any violation of the rules of the Promotion leads to the cancellation of participation, as well as to the adoption of additional measures aimed at preventing such actions.

4.3. The Organizer has the right to change unilaterally the terms and conditions of the Promotion without prior notice to the participants.

#### 5. Terms and Definitions

5.1. Organizer – Betcity Network N.V.

5.2. Website of the Organizer – website <https://betcity.net> or <https://m.betcity.net>.

5.3. General rules - rules for accepting interactive bets, paying out winnings and betting (<https://betcity.net/rules#1>).

5.4. Bonus account - an account intended for crediting bonus funds for fulfilling the conditions of various marketing events, loyalty programs, promotions. One bonus on the bonus account is equivalent to one currency unit of the main account. The bonus account does not provide for the withdrawal of bonuses and is available only for making bets.

5.5. Bets for bonuses - bets made by a client from the bonus account. Winnings on bets for bonuses are credited to the main account in the form of net winnings, which is calculated as the difference between the winnings and the amount of the bet for bonuses.
